State of Arizona

County of Greenlee

The Greenlee County Sheriff's Office Detention Facility has changed commissary providers to provide a better experience for inmates and their family.

We have contracted with Summit Food Services to provide commissary services and update/upgrade our systems. This change will allow us to provide a better menu of items to the inmate population, faster inmate account funding options, and upgrades to facility processes that will help staff navigate our systems better. Family and friends can now deposit money to inmate's accounts through a cash or credit/debit machine in the front lobby of the detention facility. Alternatively, money can also be deposited by going to Jailatm.com. These services are available 24 hours a day and seven days a week. We will stop taking money orders, cashier's checks, etc... over the counter or through the mail on June 1st, 2021.

Upon being released to the public, inmates will now receive a debit card loaded with any funds they may have on their account at time of release. This is a new process that we asked the provider to help with due to the limited resources the inmates have when it comes to cashing a check locally. Any inmate who is transferred to another facility will go with a check as other facilities do not have the ability to remove funds from a debit card.

Please contact the detention facility if you have any questions.

Fees:

Cash- \$3.25 fee for cash

Credit/Debit- \$3.25/10% whichever is greater.

Jailatm.com- 10% flat fee

Note: We no longer offer Keefe Commissary or Accesscorrections.com.
